Wonderful 4 bedroom plus an office, 2 bath single story home in Bennett Valley. Located just a short distance from Annadel State Park, Spring Lake and Bennett Valley Golf. The Great Room allows for an abundance of natural light to flow through this open floor plan. The light and bright kitchen offers granite counters, white cabinets and is convenient to the formal dining. Beautiful wood floors grace the master bedroom and don't miss the fabulous walk-in closet. A central office room with skylights leads to the additional bedrooms. The large rear yard deck is perfect for your summer bar-b-ques and the "she shed" is perfect for gardening and other hobbies. The central A/C will cool those warm summer days and the fireplace is perfect for cozy evenings. All this and adjacent to a creekside setting. Just listed and don't miss the open house this weekend.
